

RAJHANS CHRONICLE

MARCH, 2025

EDITOR'S NOTE

Dear Readers,

March bloomed with joy, celebration, and inspiration across the Rajhans family. From honouring the strength and creativity of women with a soulful Candle-Making Masterclass at Enjoy Restaurant to celebrating tradition with a fragrant 'Phoolon Ki Holi' at our Head Office, this month was truly about people, passion, and purpose.

Our commitment to excellence echoed through the FSAI Training at Rajhans Precia, empowering our teams with vital knowledge and readiness. Meanwhile, the festive spirit lit up streets and screens - through Rajhans Realty's vibrant OOH Holi campaign and our Group's heartwarming message celebrating a united, progressive India.

Adding to the cheer, Rajhans Cinemas Kamrej celebrated six glorious years of cinematic magic - a reminder that time flies when every moment is crafted with care.

Here's to a March filled with memories and a future that's brighter, safer, and more colourful than ever!

Happy Reading !

Rajhans Group Spreads the Colours of Progress and Unity this Holi

This Holi, Rajhans Group extended festive wishes across leading dailies with a powerful message celebrating not just the festival of colours, but the spirit of a new, and progressive India.

The message highlighted Holi as a symbol of faith, prosperity, and new beginnings, drawing a parallel between the vibrancy of colours and dreams, hopes, and aspirations that shape our nation's future. It envisioned an India glowing with unity, innovation, and development, encouraging all to celebrate Holi with the colours of progress and purpose.

Holi is not just a festival of colours,
It is a symbol of faith, prosperity, and new beginnings.
Just as the colours of Holi bring joy and brightness to life,
New dreams, new hopes, and new aspirations
Illuminate the future of our nation.

As our India flourishes with the vibrant hues
of unity and development,
Every direction is painted with the colours of prosperity.

This Holi, let's celebrate the future of a new India
With the colours of development, innovation, and happiness.
