MAY, 2025

E D I T O R ' S N O T E

Dear Readers,

As we turn the pages of May, we are reminded that true strength often wears a gentle smile. From celebrating the unconditional love of mothers to opening doors to a new world of entertainment in Bardoli, this month was filled with emotion, progress and celebration.

We were also delighted to witness the sweet expansion of our chocolate legacy, with Schmitten opening a brand-new outlet at Gallops Mall, Borsad (Anand) — bringing world-class indulgence closer to the hearts of chocolate lovers in the region.

Each story in this edition reflects the soul of Rajhans Group — where business excellence walks hand in hand with human connection. Whether it's honouring our roots on Gujarat Day, crafting heartfelt moments with our people, or celebrating the inspiring leadership of Shri Shivlal Jain on his birthday, we continue to build a legacy grounded in values and vision.

Here's to a month of meaningful milestones and the many more ahead.

Happy Reading !

A Mother's Day to Remember at Rajhans Group

This Mother's Day, Rajhans Group celebrated the heart of every family-mothers-with a touching initiative that honoured their strength, love, and quiet resilience. Children of our employees created heartfelt handmade gifts like wool cards, clay butterflies, napkin, teddies and bunnies, guided by caring mentors. The most memorable moment came when these sweet creations were personally gifted to the working moms, sparking joy, laughter, and emotional tears. Heartfelt messages from the children added an extra layer of warmth, reminding us of the deep love children hold for their mothers. With this celebration, Rajhans reaffirmed its commitment to nurturing not just businesses, but a culture of gratitude and emotional well-being.
