RAJHANS CHRONICLE

JUNE, 2025

EDITOR'S NOTE

Dear Readers,

As we step into the second half of the year, June has been a month full of celebration, creativity, and community impact for the Rajhans Group.

From honouring the unsung heroes in the skies with Schmitten's tribute to Akasa Air's cabin crew, to launching an exciting new digital face for Rajhans Group with our revamped website - we've made meaningful strides in both storytelling and service.

Our cinemas brought joy both on and off the screen - through heartfelt initiatives like the Sitaare Zameen Par drawing competition, and milestone celebrations at Rajhans Cinemas Katargam and Nikol. These moments offered us the opportunity to pause, reflect, and express our sincere gratitude to the audiences who make our journey so meaningful and fulfilling.

Our commitment to social responsibility was also acknowledged this month with a Letter of Appreciation from the Commissioner of Police for our cleanliness drive at Dumas Beach - a proud moment that reinforces our vision of progressive, people-first growth.

With interactive campaigns like "Name Your Dragon," we continue to engage, entertain, and evolve with our audience - proving that for Rajhans, every story begins with heart.
